Interview at the London Regional office Stage 2 Gas-lighting begins

First I would like to point out is I did not cancel any appointments with Phillis Walzak Finally I did get to meet Phillis and the first thing she said " Things are going to be alot different this year" Well it certainly was ! Cruel & Punishment I haven't even met her yet and she's already reiterating false information the beginning of stage 2 wcb gas-lighting & tyranny ...

PERSONEL DATA Accident date October 27 1980

This injury was horrific I had to relocate with family for home care... I couldn't count on WCB ... The welfare system is far superior & the people are nice ...

EMPLOYMENT HISTORY

I worked at London Concrete on the paint line & painters helper for 2.5 years. I was forced to leave because of the indoor industrial air pollution it was causing me health & breathing difficulties, they supplied no personal protection was offered by London Concrete..
