Dear Mr. Oakes:

Thank you for your e-mail regarding your claim with the Workplace Safety and Insurance Board (WSIB) of Ontario and the alleged hunting violation against you. The Honourable Donna Cansfield, Minister of Natural Resources, has asked me to respond.

I understand you have been in contact with Doug Gibb, Regional Enforcement Operations Manager in the ministry's Northwest Region. After checking with the conservation officer who you mentioned in your e-mail, along with his supervisor and Mr. Gibb, I can confirm that we were unable to find any record of warnings being issued to you in Ontario.

I trust that you will provide this information to the WSIB so it can amend its records accordingly.

Again, thank you for writing.

Sincerely,

Charlie Lauer
Assistant Deputy Minister
Field Services Division
Ministry of Natural Resources
